## Our Legacy

FCML India is a pioneer of quintessentially European, luxurious design products and the largest space devoted to luxury interiors in India. Known for creating a visually stimulating environment - customers can experience products, be educated about them at leisure and make inspired, informed choices.

Guided by FCML and its legacy, Wood & Boundless is an in-house brand, that provides high calibre, affordable solutions to homeowners seeking character and elegance in their spaces. With an array of innovative, versatile collections to pick from, we boast one of the largest selections of designer wood flooring in the country.

We pride ourselves on delivering every aspect of your flooring needs. Available pan-India, our collections use premium quality timber and state of the art production processes to create a range of traditional and designer finishes that are manufactured with integrity and regard for the environment.

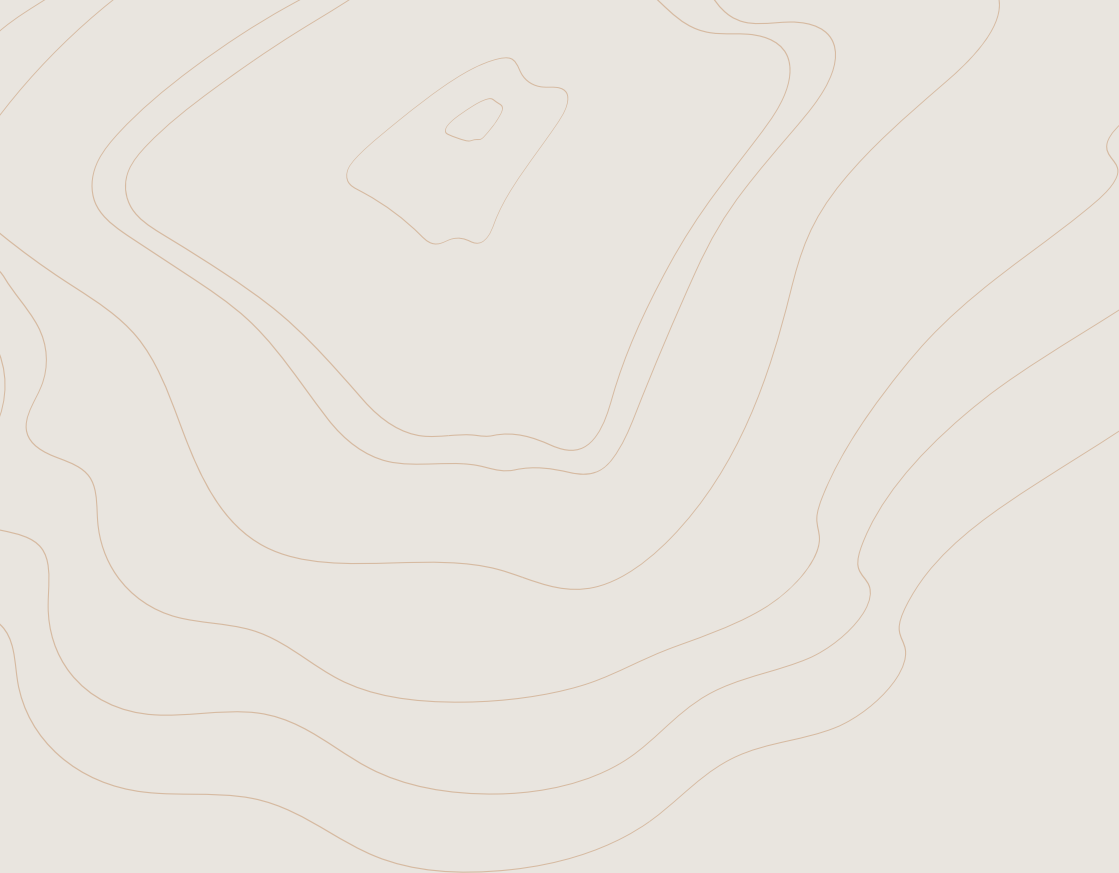

Let expertise  
take the Floor.

 BOUNDLESS NATURE

#104-Raw Umber

# Boundless Nature

The "Boundless Nature" wood collection consists of warm wood tones that offer a feeling of rawness and comfort. Drawing inspiration from nature, these shades are perfect for spaces that are designed for relaxation, warmth, and love. Relating and complementing the colours of the forests, this collection allows you to get away from city living and unwind away from the chaos and noise.

# Boundless Boundaries

The "Boundless Boundaries" wood collection consists of cooler wood tones that accentuate the appeal and elegance of your space. The collection draws inspiration from temperate cities across the globe to bring out the luxurious, high quality finish of the wood flooring as well as add a contemporary feel. Each shade is thoughtfully named after temperate cities in relation to the undertones, colours, and the way one feels when they visualise the shade in their homes.

# Boundless Celestial

The "Boundless Celestial" wood collection is a stellar collection inspired by space and astronomy. This collection consists of neutral greys, blacks, and white woods which are timeless yet futuristic similar to the concepts of space and time. Dynamic, yet versatile, this collection is perfect for a modern, contemporary home.

# Technical Specifications

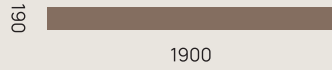

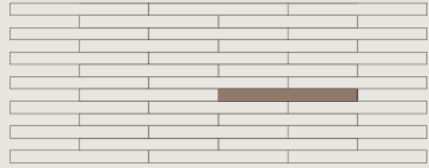

- 1 - **Wear Layer** : High Performance protective overlay combining of stain, primer and protective varnish, to give to the product and resistance finish at the same time.
- 2 - **Top Layer** : Noble wood of 3 mm thickness, bevelled on all four sides
- 3 - **Core Layer** : Composed of eleven inter twined layers of 100% pine wood that works as an internal shaft and gives the whole structure greater strength and stability. (Thickness 11 mm)
- 4 - **Back Layer** : Thick layer made of pore- filler varnish which helps to ensure the compact plan configuration of the product.
